STRATEGIC CONSULTING

COVID-19 RESPONSE AND RECOVERY ASSISTANCE

MPACT Strategic Consulting LLC (MPACT) provides Emergency Management & Disaster Recovery planning, program management and implementation assistance to government, private/commercial and non-profit organizations. Our team of experienced consultants can quickly mobilize to provide the right people, skills, resources and technologies to help organizations respond to imminent threats such as COVID-19 and assist in recovery.

OUR COVID-19 Team can assist with the following activities:

Perform eligible cost determinations and tracking for FEMA financial reimbursement.

Provide procurement guidance as it relates to federal requirements in 2 CFR 200, and your State and local policies.

Assist with EOC, PODS, Testing facilities staffing and deployments

Attend meetings and assist in responding to inquiries from FEMA, HHS and State agencies.

Provide FEMA, HHS and State compliant cost tracking templates and protocols.

Response planning, preparation and training for Hospitals and Healthcare Providers.

Prepare and assist with the development of Project Worksheets (PWs) for eligible FEMA claims and reimbursement.

Coordination with State, FEMA and HHS representatives to maximize reimbursement.

Develop dis-infection teams and site-specific cleaning protocols by knowledgeable and credentialed professionals.

Provide knowledge experts to answer questions or find appropriate guidance and policies.

As a Minority Owned Small Business with SBA 8(a) and AC/DBE certifications across multiple states and municipalities, MPACT is committed to excellence and creating innovative and flexible solutions for Government, Non-Profits and Private Sector partners.
